ENVIRONMENT AWARDS 2008

The Future Leaders Environment Awards seek to recognise Year 12 students who have shown strong environmental leadership. They also aim to inspire others to engage with environmental issues.

Australian secondary schools are invited to nominate Year 12 students for the Award. Nominations should include detailed information about the student's environmental leadership.

In 2008, the award winners will receive a Fellowship to participate in an Earthwatch Expedition in Australia. www.earthwatch.org

Please send all submissions by 1 August 2008 to Dr Helen Sykes
